Masks will be required for all participants! Please bring your own water bottle with your name clearly marked on it! Eat a healthy sized breakfast prior to camp as no snacks will be provided due to health concerns this year. Our cheer team will be utilizing both gyms in the High School to spread kids out! We will also have the ability to use all of our cheer mats for tumbling practice! Although a traditional sideline performance is not an option, coaches will post several videos and pictures of the mornings activities and a mini performance on our Facebook page found under Crete Cardinal Cheerleaders.

****Camp T-Shirts & Pink Pom Poms will be provided.** Shirt design listed above. **For questions please email the Coaches (Sonia & Kara) at cretecheer@creteschools.org**
