**December ~~29 & 30~~ : 30 & 31, 2020**

#### **From Doane University:**

**With the ongoing COVID-19 pandemic, 2020 has been a challenging year on many fronts. We are currently restricting the number of spectators at our home athletic events. Four guests per suited athlete is the current policy. Each team will provide a list of family members who will be allowed to attend the games after paying admission.**

**A spreadsheet was shared with Crete's athletes to list family members who will be attending. Access to the list will be closed on Tuesday at noon.**

**Doane University will not be streaming games.**
